

Darwin Initiative Round 25 Results

Darwin Main Projects				
Project Reference	Project Title	Lead Organisation	Country(ies)	Darwin Initiative Award
26-001	Community livelihood and capacity support for securing Zimbabwe's wetland biodiversity	BirdLife Zimbabwe	Zimbabwe	£295,610
26-002	Integrating conservation and health in Papua New Guinea's vulnerable rainforests	University of Sussex	Papua New Guinea	£355,353
26-003	Securing the long-term future of Kenya's largest freshwater wetland	Nature Kenya	Kenya	£341,972
26-004	Linking food security and forest conservation under REDD+	RSPB	Sierra Leone	£TBC
26-005	Green Health: improving indigenous participation through the CBD's ABS mechanisms	UCL School Of Pharmacy	Guatemala	£324,056
26-006	Conserving Tsavo's wildlife by building community resilience and fostering coexistence	Zoological Society of London	Kenya	£328,888
26-007	Enhancing Tanzanian human-wildlife coexistence through corridor restoration and livelihood projects	STEP	Tanzania	£241,796
26-008	Market-led approach to sustainable management of agrobiodiversity for livelihood outcomes	LI-BIRD	Nepal	£240,223
26-009	Enhancing wetland resilience for improved biodiversity and livelihoods in Cambodia	Wildfowl and Wetlands Trust	Cambodia, Vietnam	£320,472
26-010	Know your onions: sustainable plant use in Tajikistan	Royal Botanic Garden, Edinburgh	Tajikistan	£361,440
26-011	Strengthening fisheries resource co-management in PiSiSi MPA, Simeulue Island	Fauna and Flora International	Indonesia	£338,063
26-012	Ghodaghodi's Guardians: communities restoring a Ramsar wetland at watershed scale	Zoological Society of London	Nepal	£320,931
26-013	Conservation and poverty alleviation through sustainable ranching in Paraguay	Wildlife Conservation Society	Paraguay	£399,132
26-014	Empowering Ivorian coastal communities to conserve	University of Exeter	Ivory Coast	£346,585

Darwin Main Projects				
Project Reference	Project Title	Lead Organisation	Country(ies)	Darwin Initiative Award
	biodiversity and secure livelihoods			
26-015	Traditional African vegetables strengthen food and nutrition security in Madagascar	World Vegetable Centre	Madagascar	£319,800
26-016	Lion Carbon: creating biodiversity value and sustainable management through REDD+	WildCRU, University of Oxford	Zambia	£TBC
26-017	Maximising conservation and community benefits from plants of Mount Mulanje	Botanic Gardens Conservation International	Malawi	£338,252
26-018	Promoting public health in a biodiverse agroforest landscape in Guinea-Bissau	University of Exeter	Guinea-Bissau	£325,043
26-019	Secure Wetland Ecosystems to improve livelihoods through Community Conservation Agreements	Nature Uganda	Uganda	£299,939
26-020	Securing wild tulips and pastoral communities in the Kyrgyz mountains	Fauna and Flora International	Kyrgyzstan	£309,374
26-021	Biodiversity conservation, vicuña health and local livelihoods in Apolobamba, Bolivia	Wildlife Conservation Society	Bolivia	£292,302
26-022	Uprating community forest management in Nepal: enhancing biodiversity and livelihoods	Forest Action Nepal	Nepal	£298,439
26-023	Bridging agriculture and environment: Southern African crop-wild-relative regional network	Bioversity International	Malawi, Tanzania, Zambia	£477,004
26-024	Improving indigenous Bolivian Chiquitano people's livelihoods through sustainable forest management	RBG Kew	Bolivia, Brazil	£320,201
26-025	Eco-village approach to enhance socio-ecological resilience in Cabo Verde	University of Cabo Verde	Cape Verde	£275,486

Partnership Projects				
Project Reference	Project Title	Lead Organisation	Country(ies)	Darwin Initiative Award
DARPP199	Building capacity for plant conservation in Preah Vihear, Cambodia	Botanic Gardens Conservation International	Cambodia	£6,813
DARPP200	Regeneration and enhanced agro-biodiversity in Petauke (REAP)	Send A Cow	Zambia	£10,000
DARPP201	Harvesting invasive species to enhance delivery of multiple ecosystem services	Living Earth Ltd	Nigeria	£ 8,730
DARPP202	Investigating the soil biodiversity of western Madagascar for ecosystem restoration	Natural History Museum	Madagascar	£8,038.35
DARPP203	Reducing threats to great apes through sustainable coffee production	Pan African Sanctuary Alliance (PASA)	DRC	£4,935
DARPP204	Sudan's MPAs: mobilizing partnerships for sustainable conservation and development	Sudanese Development Initiative	Sudan	£5,310
Fellowship Awards				
DARFW049	Onja Razanamaro	Royal Botanic Gardens - Kew	Madagascar	£ 25,400
