Round Table regarding FSC development in Tomsk oblast was conducted on 20 of June. The aim of the round table was to discuss the process of FSC development in Tomsk oblast. Please, see the results of the Round table below.

The results of the Round table

Name	Organization	Contact telephone	Proposal for FSC certification development
1. Krivec Svetlana Arnoldovna	IMPAKS SO RAS (Russian Academy of Sciences, RAS)		I'm ready to participate in the research in order to identify the forests that are of highly importance regarding FSC principals.
2. Kibish Igor Viktorovich	Forestry agency of Tomsk oblast		<ul style="list-style-type: none"> • IIES should take copies of the documents from the Forestry agency regarding the creterias of forest lands • To write a letter to Tomsk oblast governor with the proposal of cooperation concerning involvement of forestry companies in the project
3. Loichenko Galina Sergeevna	Assinovskii forestry		<p>We are ready to be certified as a second forestry if we find money for the Forestry Management Plan.</p> <p>Nowadays we will be developing local communities birch bark business with IIES help.</p>
4. Pisareva Olga	Oblast state institution «Tomskselles»		We will be happy to be involved in the project activities.
5. Rogachev Vladimir Nikolaevich	Kaltayskii forestry		We think that it is better if forest company apply for the certificate of Forest management (FM), but not forestry.
6. Kudryvcev Aleksey	Postgraduate student		I'm ready to participate in the project as an environmental awareness specialist if it is necessary.
7. Murzaxanov Evgenii	IIES		Agreed that a letter to the governor of Tomsk should be prepared.
8. Gorina Nataliy	Department of Natural Resources and Nature Protection of Administration of Tomsk oblast		Agreed with the people suggestions.
9. Svetlana	IIES		The results of Moscow business trip were

Kozlova

discussed very successfully. Participants agreed with the opinion of the Moscow experts. Next steps of FSC development were confirmed:

- letter to the governor;
- search and confirmation of the felling company;
- search for the financial opportunity for the research regarding identification the forests that are of highly importance regarding FSC principals.
