Dear Richard,

On Sunday 15 November, we had a very successful workshop in Golestan Province. 18 teachers and 3 principals from 6 middle schools participated in the workshop,

60 sets of posters, 500 Bird Keys and 60 teachers guides were left with DoE Golestan and the Education Organization to be disseminated amongst schools and students.

I have baseline questionnaire from teachers, and will have those of students soon.

Attached are 3 photos of the event.

I look forward to hear from you.

Regards,
Hamid
