

*Pachystyla bicolor*  
Endangered (Mau); Extinct (Reu)

1. What does this snail represent to you?
2. Would the extinction of this species affect you? How?
3. If resources allowed you to save just one of the following similarly threatened native species at a time, rank these in order of priority for conservation:  
(a plant, a scorpion, a snail, a gecko,)

***Gecko, Lepidodactylus lugubris***

***Snail, Pachystyla bicolor***

***Plant, Sideroxylon grandiflorum***

**Native scorpion**
