

WELCOME

Darwin Initiative New Projects Workshop Day 2

Department
for Environment
Food & Rural Affairs

WELCOME

- New and Existing Projects
- Big “thank you” to presenters
- Objectives and outcomes
 - Experience and peer-to-peer learning
 - Knowledge Sharing, knowing you’re not alone.. leading to....
 - Ongoing positive lesson sharing between projects
 - To identify common challenges and how to overcome them
 - To identify complementarities and efficiencies that lead to ...
 - Better results
 - Stronger and more engaged “Darwin Community”

Feedback

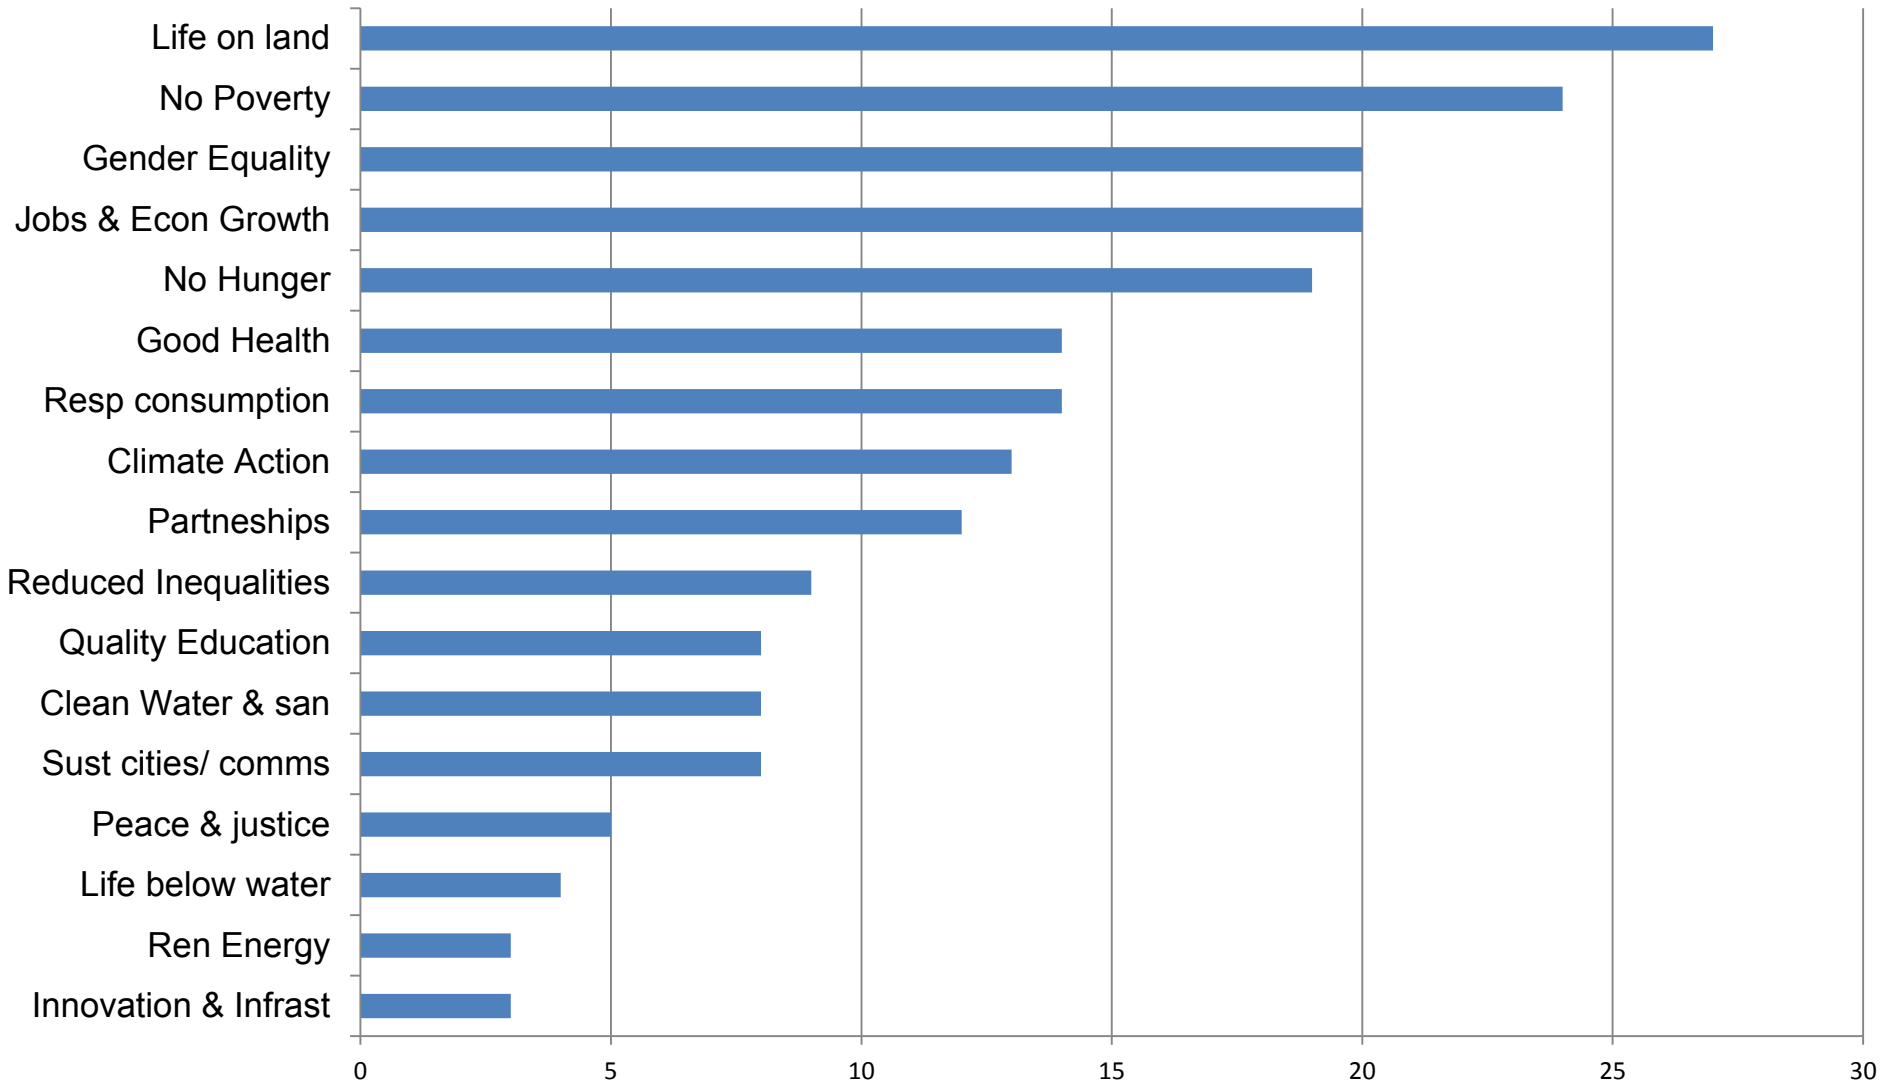

- An “experiment”
- Feedback for continuous improvement

Recap on Day 1

- Financial and Reporting
- How your projects relate to some of the over-arching priorities – SDGs & wellbeing
- M&E and Communication plans
- You liked: the above., the group work and opportunity to interact with your sister projects

SDGs Scoring

Recap on Day 1

- Areas for improvement....case study examples showing “good” and “not good”, go through reporting templates, more time for the M&E exercise, fewer exercises more in depth.
- Other Ideas....
 - Hold a workshop at the end of the grant to bring projects together, share lessons & results.

Agenda - Morning

- Welcome and Introductions
- Case Study 1 - Mainstreaming biodiversity and ecosystem services into community forestry
- Group Exercise 1 – Identifying complementarities
- Case Study 2 – Eels - a flagship species for freshwater conservation in the Philippines
- Lunch!

Agenda - Afternoon

- Group Exercise 2 – Sharing advice on technical themes and measurement challenges
- Case Study 3 – Conserving biodiversity and reducing poverty Identifying key lessons
- Q&A session
- Highlights and Wrap Up (need to leave ‘sharp’)

Introductions

- All existing projects introduce yourself and your project:
 - Name
 - Institution
 - Project title only
 - Key highlight from your project to date
- New projects introductions

Geographic Complementarities

Group Exercise 1

Department
for Environment
Food & Rural Affairs

A story of positive interaction

Group Exercise

Issues to consider:

- Similar Stakeholders
- Similar Policy Objectives
- Working on Barriers
- Building on each other
- Logistical efficiencies
- Shared Resources & Learning

Thematic Complementarities

Group Exercise 2

Department
for Environment
Food & Rural Affairs

UKaid
from the British people

Group Exercise

Issues to consider:

- Similar technical challenges
 - Similar Policy objectives
 - Common knowledge platforms
- 3 common measures to create that “shared language” between projects
