

The Darwin Initiative & IWT Challenge Fund

Sharing experiences and lessons between projects

Department
for Environment
Food & Rural Affairs

Objective of the Day

- To improve project ability to demonstrate and communicate evidence of impact
- To provide an opportunity to find out more about new Darwin and IWT projects
- To provide a forum for projects to network with those working on similar topics and areas
- To facilitate lesson learning and build links between projects and between schemes
- To identify common challenges and how to overcome them

Agenda - Morning

- Welcome and Introductions
- Developing an M&E plan
- Tea and coffee
- Case Study 1
- Developing a communications strategy
- Lunch!

Agenda - Afternoon

- Group Exercise – Identifying complementarities
- Case Study 2
