

The Darwin Initiative

Workshop for Stage 2 projects

Objective of the Day

- To better understand Darwin funding requirements inc. DFID funding eligibility criteria
- To meet the Darwin Initiative key people and understand their role
- Obtain help to develop a robust 'implementable application'
- To meet other Darwin project staff and build links between projects

Agenda

Morning

- Frequently asked questions
- Balancing poverty with biodiversity

Afternoon – practical sessions

- Identifying activities/outputs/outcomes
- SMART indicators
- Developing an M&E plan

Introductions

- Introduce yourself and your project:
 - Name
 - Institution
 - Project
 - History with Darwin?
